

## Discovery Preschool Discipline Policy

Student Name: \_\_\_\_\_

Our goal is to provide a safe and positive environment for all of the children attending our Preschool. Therefore, we must acknowledge that any behaviors compromising the safety of the class and/or physical harm to the class will not be tolerated. Ongoing and repeated disruption whereby the child's behavior has not improved despite ongoing coaching and redirection will also not be tolerated. We will intervene when necessary.

The following steps will be taken when intervening.

1. In circumstances of safety of the class and/or physical harm, we will contact the Parent/Guardian to pick the child up immediately. In addition, for all interventions, we will schedule a meeting between the Teacher(s), Parent(s) and an Executive/Parent Committee representative to discuss ways of resolving the behavior.
2. If the behavior continues following the meeting and the request for the Parent/Guardian to pick up the child immediately, the Parent/Guardian will be required to attend class to support and intervene when necessary, until the behavior stops.
3. If the above two steps are ineffective, the child will not be permitted to attend class.

I have read and understood the aforementioned policy.
