

June 2017

A Message from our Teachers

It's hard to believe June is here and there are just a few short weeks left of preschool.

Thank you to all who attended our fun and successful Art Show, 'Individuality,' last Friday. Your generous donations will go directly towards supplies and operating costs for our school! Thank you also to all of the parents who helped make the event happen through help with framing, set up, or bringing food. Lastly, a very special thank you to Carol and Brett Coyne of the 3's class who donated their beautiful work space and many hours of their own time to the event.

If you were not able to attend the Art Show, pieces that were not bid on will be available for purchase this week. Please bring cash or cheque to the school if you wish to purchase any of the available pieces.

The children have become very interested in creeping, crawling creatures over the past few weeks. Costume antennas, wings and masks have led to lots of bug play where the children transform into beautiful butterflies, ladybugs, and stinging bees! Many of our students have been especially interested in the Lois Ehlert book "Ten Little Caterpillars" and looking at different types of caterpillars and their transformations into butterflies. This past week we have talked about the stages of metamorphosis and moved our bodies like these fascinating creatures. We have also looked at symmetry in butterflies and begun work on some bug art projects. We look forward to continuing with this project in our final days of preschool!

We also have many fun and special theme days and outdoor activities planned for the month of June. Please see the attached calendar so you can prepare your child with any necessary materials for each day.

Lastly, we look forward to celebrating this wonderful year with all of our families at our year end party on **Wednesday, June 21st from 9:15-11:45**. This special day will be for all classes and will take place at the Shaganappi Community Association and beloved gully area! We are hoping for great weather so

that we can enjoy a lovely morning outdoors playing carnival games on the green area and playing in the water and mud. If you are interested in bringing a food item to this final event, there will be a food sign-up sheet in the next few days. We hope to see everyone there!

Kindly,

Ms Danielle and Mrs Tammy

A Message from the Board

- As a reminder if you are interested in a board position, please review the Parent Job Handbook for a list of board member positions and descriptions. Please feel free to reach out to our Parent Job Coordinator or any other member of the current board to learn more. http://discoverypreschool.info/wp-content/uploads/parent-jobs-handbook_2015.pdf
- Each year Discovery Preschool provides an opportunity for parents to provide feedback on their experience with school via an end of year survey. This quick survey provides us with valuable feedback that we use to continually monitor the effectiveness of our program and gives us insight into learning enhancement opportunities. In the coming weeks parents will receive an email link to the survey so stay tuned!!
