

# Discovery Preschool Family Questionnaire

In an effort to get to know each of you better, we (the teachers) have compiled a list of questions related to family dynamics, family/child activities and interests. This rich picture of your family life will offer additional information that will assist us in meeting your child's developmental needs through an enquiry-based approach. This information will be kept confidential and will be discarded appropriately at the end of the school year. If there are any questions you would rather not answer, please feel free to skip those.

We truly look forward to getting to know each of you better. Thank you for your support and cooperation in this process.
