Recipe 1

3 cups flour

1.5 cups salt

6 tsp. cream of tartar

3 tbsp. oil

3 cups water

3/4 cup water

Ask for digital copies of last year’s newsletter for ideas.

Develop your own style and format, and utilize the same template for the whole year.

Highlight ‘upcoming dates’ section. Wait until input is final. Add colour and graphics where possible for interest. Don’t edit the text provided - ask for clarification from writers rather than editing if the message is not clear.

Storage Coordinator

The Preschool has a lot of supplies for projects and activities, including puzzles, games, musical instruments, fabric, paint, sports equipment, etc. The supplies are organized in labelled bins and shelves in the storage cupboards. The Teacher uses the supplies to create themes, projects and activities.

Keep the storage cupboards organized and clutter free, ensuring that supplies are easy to find and use.

Attend a portion of the four clean-up days, and check the cupboards after the monthly room changes – to put stuff in the right place. (Because this parent attends a portion of each clean-up day, they are excused from the normal clean-up responsibilities.)

Once or twice a year, meet with the Teacher to see if any clutter clearing can be done in the cupboards and/or in the classroom. Drop the extra stuff off at a local charity.

Store the Halloween and Christmas decorations off site (Rubbermaid totes) and bring them to the Preschool at the request of the Teacher.

Time Commitment

At the beginning of the year, during initial coordination, more time is required to coordinate all the families. Once the signup process is complete the time will vary based on family turnover, follow-up, and sending reminders to the scheduled families.

Approximately three hours per month. Plus as needed clutter clearing sessions.

This is a great job for someone who likes to organize stuff.

Checking the storage cupboards frequently is more effective than letting it build up to a big mess. Don't hesitate to ask if stuff can be taken away for recycling.

Substitute Teacher Coordinator (Need to be qualified teacher)

Key Responsibilities

Please note this role will be required to be filled by a parent who qualifies as a Substitute Teacher. Collaborate with the Substitute Teachers to ensure they meet the credentials as outlined in the Preschool License and Policies and Procedures (including police checks and first aid qualifications), and understand the role of Substitute Teacher. If the Teachers have a pre-scheduled absence (i.e.: attending a conference) the Coordinator will arrange in advance a Substitute for each class the Teachers will be absent for. Any Substitute can cover any class if needed **

When the Teacher phones in sick, the Coordinator contacts the Substitute Teacher(s) by phone to ensure their availability. Once availability is confirmed, an email is sent to all affected parents to advise them that there will be a substitute, or if no substitute is available; that class has been cancelled.

Provide Substitute Teachers' documentation to the Teachers for the Preschool binder.

Time Commitment

The time commitment is variable depending on whether the Teacher is away – to date absences are rare.

Helpful Tips

Prepare email address lists for each class in advance, so that when the Teacher is away an email can be sent without delay. This could be coordinated with the Secretary or Registrar (who keep email lists).

Keep the Substitute Teachers' numbers handy. Ensure you have keys to the facility.

The Preschool will cover the cost of the first aid course for Substitute Teachers.

Substitute Teacher (list) (one per class - as a secondary role for those who are qualified, please also pick a primary volunteer position)

If you are a qualified Child Development Worker or Child Development Supervisor level please consider volunteering to be a Substitute Teacher. This would count as your Parent Volunteer Job. However, this roll is not a very active one or one that necessarily utilized. It would be very appreciated if you volunteer in the role that you help the school by also sign up to help with Fundraising/Registration or other special committees. You would be called by the Substitute Teacher Coordinator if the Teachers are absent so you need to have reasonable availability. The school tries to recruit as many substitute teachers as possible through the parent body, so you do not need to be 100% available.

If we do not have Substitute Teachers available, the preschool closes. If the Teachers are absent, a qualified substitute must be on site in order for the preschool to run. Because it takes several weeks to get qualified to be a Substitute Teacher, we want to begin recruiting Substitute Teachers well in advance of the next school year.

To become a Substitute Teacher you must:

1. Qualify as either a Child Development Worker (formerly Level 2) or Child Development Supervisor (formerly Level 3).
2. Have a valid First Aid/CPR Level C certificate. Physicians and Nurses are exempt from the First Aid requirement. Discovery Preschool will pay for First Aid/CPR Course provided your child is still registered by the start of the school year (approximately 16 hours for initial course or 6 hours for recertification).
3. Get a police background check through Discovery's Police Check program. If you have already had a background check for another school, you still need to get a separate background check for the preschool.

4. Sign a document saying you have read the preschool policies and procedures.
5. Meet with the Teachers for Substitute Teacher Orientation.

Time Commitment
